HONNER FACULTY

The Source of Learning

PRINCIPAL

Fr. George F. Burnell, O.S.A.

The office of Principal is not a very enviable one. The Principal must make many important decisions concerning matters of finance, curriculum, faculty, and in some cases, discipline. He must be a patient man, stern but understanding. He must be the type of person whom students and faculty alike can look upon with faith and respect. Our Principal, Rev. George Burnell, O.S.A., is that man.

The Vice-Principal must possess the same qualities as the Principal. Being second in command of the Bonner community, he is responsible for the day to day workings of the school. Through the years, Mr. Charles Steckel has carried out this office exceedingly well.

DIRECTOR OF ACTIVITIES

Coordinating the activities of Bonner is an enormous job. Fortunately, it proves no trouble for Fr. Murnane. He recognizes that extra-curricular activities are vital to the overall development of an individual. In this way, Fr. Murnane has cultivated the "other" dimension of Bonner.

Left: Fr. Thomas Murnane, Director of Activities.

Below: John Bruce finds out a little too late that he is afraid of heights.

STAGE CREW

The members of the stage crew, with the help of their moderator, Fr. Thomas Murnane, have once again demonstrated their many talents. Working behind the scenes, the Stage Crew has been largely responsible for the success of the musical and many other events held this year in the auditorium.

As in the past, the Bonner Band has excelled in its many performances during the season. Under the direction of Ms. Diana Satterfield and the guidance of Mr. Charles Lauletta, the Band appeared in concert at Granite Run Mall, and at many sporting events and parades. In recognition of their superior performance the Band has had the added honor and privilege of hosting the Lower Southeastern District Orchestra.

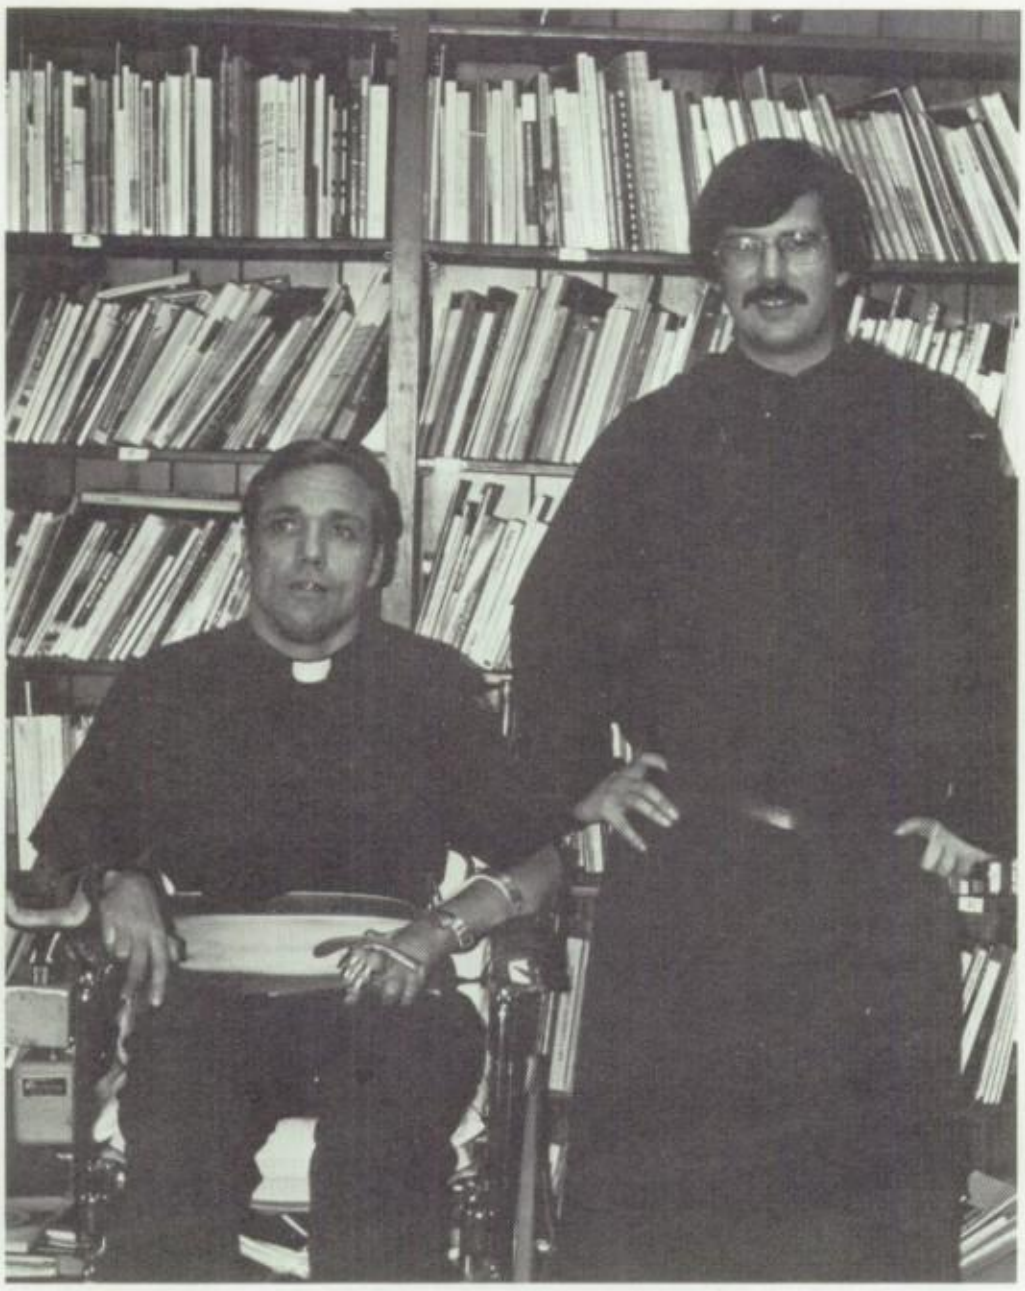
The Stages of Learning



CLASS OF 80

Our first year at Bonner proved to be a busy one. Starting off with the election of homeroom representatives in October and class officers in December, everything seemed to be going smoothly. The class basketball league gave every freshman the chance to demonstrate his skills. A fund-raising dance held in March returned enough money to finance the big event of the year, the Frosh Hop, a huge success. This challenging but pleasant year was made possible through the greatly appreciated advice of Fr. Atkinson and Fr. Horn.

CLASS OF 79

This year's sophomore class contributed to school and class activities in several ways. Donkey basketball, an annual event which was sponsored by the class of '79, was a huge success. We continued our class basketball league, and, to everyone's approval, introduced a class hockey league. The Soph Hop, highlighting the entire year, encouraged a great turnout and all enjoyed themselves. It was a fine year and we would like to thank Mr. Lutz and Mr. Sabol for their continuing help and encouragement.

CLASS OF 78

The Junior Class this year clearly took stride in the activities of the school. Our class rings, delivered in December, our class dance in January, and our Junior Prom in May all signified our readiness to become the next graduating class of Bonner. The combined strengths of academics and athletics have also helped in the inspiration of leadership already evident in our class.

Nevertheless, none of these achievements could have been possible without the diligence and encouragement of Bro. John Baker, Moderator of the Class of '78.

MODERATOR

Throughout our four years at Bonner, the class of '77 has been privileged to work with Mr. Jacobs. In a quiet, but forceful manner he has helped to make each year productive. Mr. Jacobs has always kept the students' interests as a top priority. He should be commended for a job well done.

OFFICERS

Four of the quickest years of our lives have just passed us by. The Officers of the Class of 1977, under the experienced leadership and guidance of Mr. Jacobs, have tried to make them memorable ones. We have done our best to organize the dances, the Basketball League, and the Prom for the benefit of everyone. It has been a privilege to have worked for and served the Class of 1977.

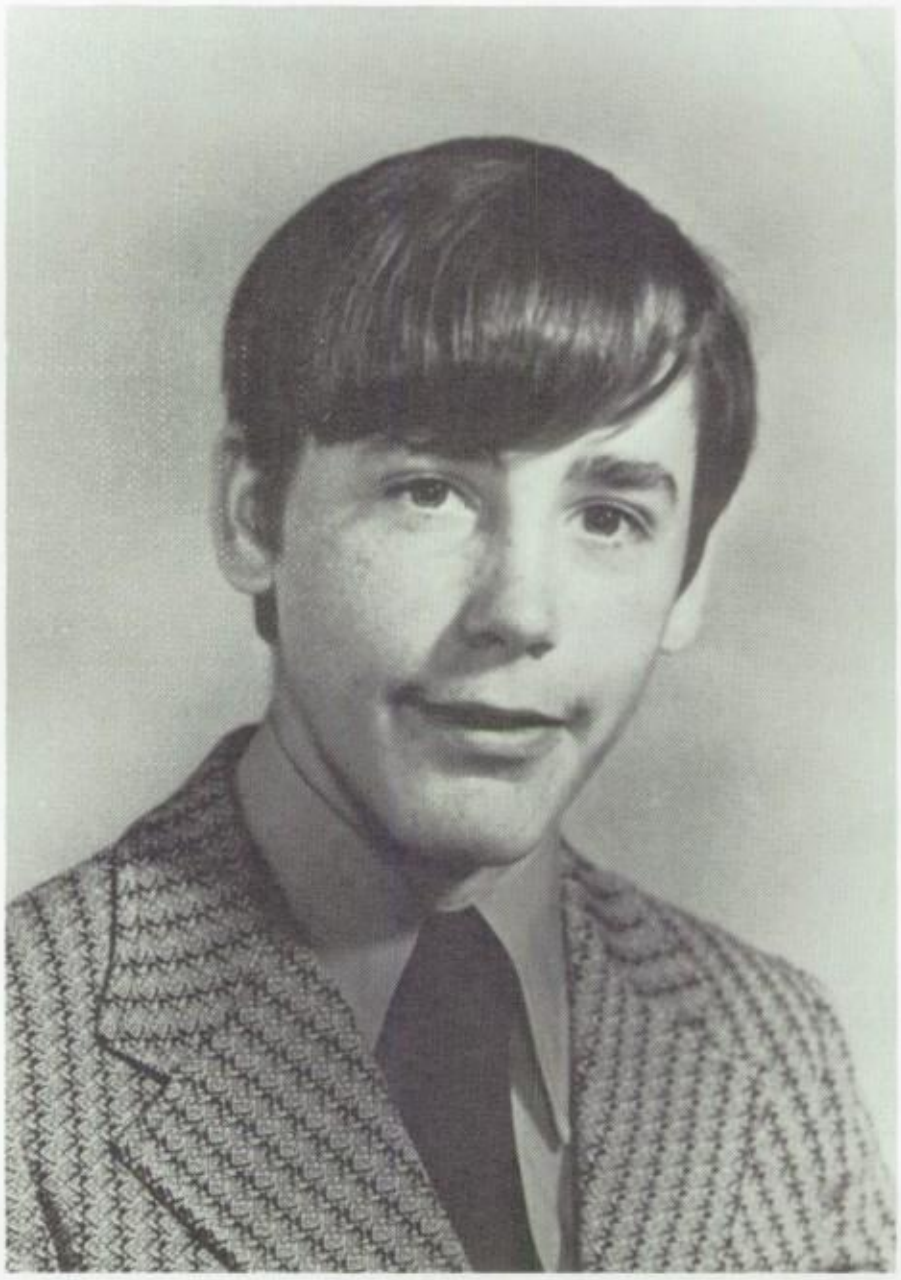
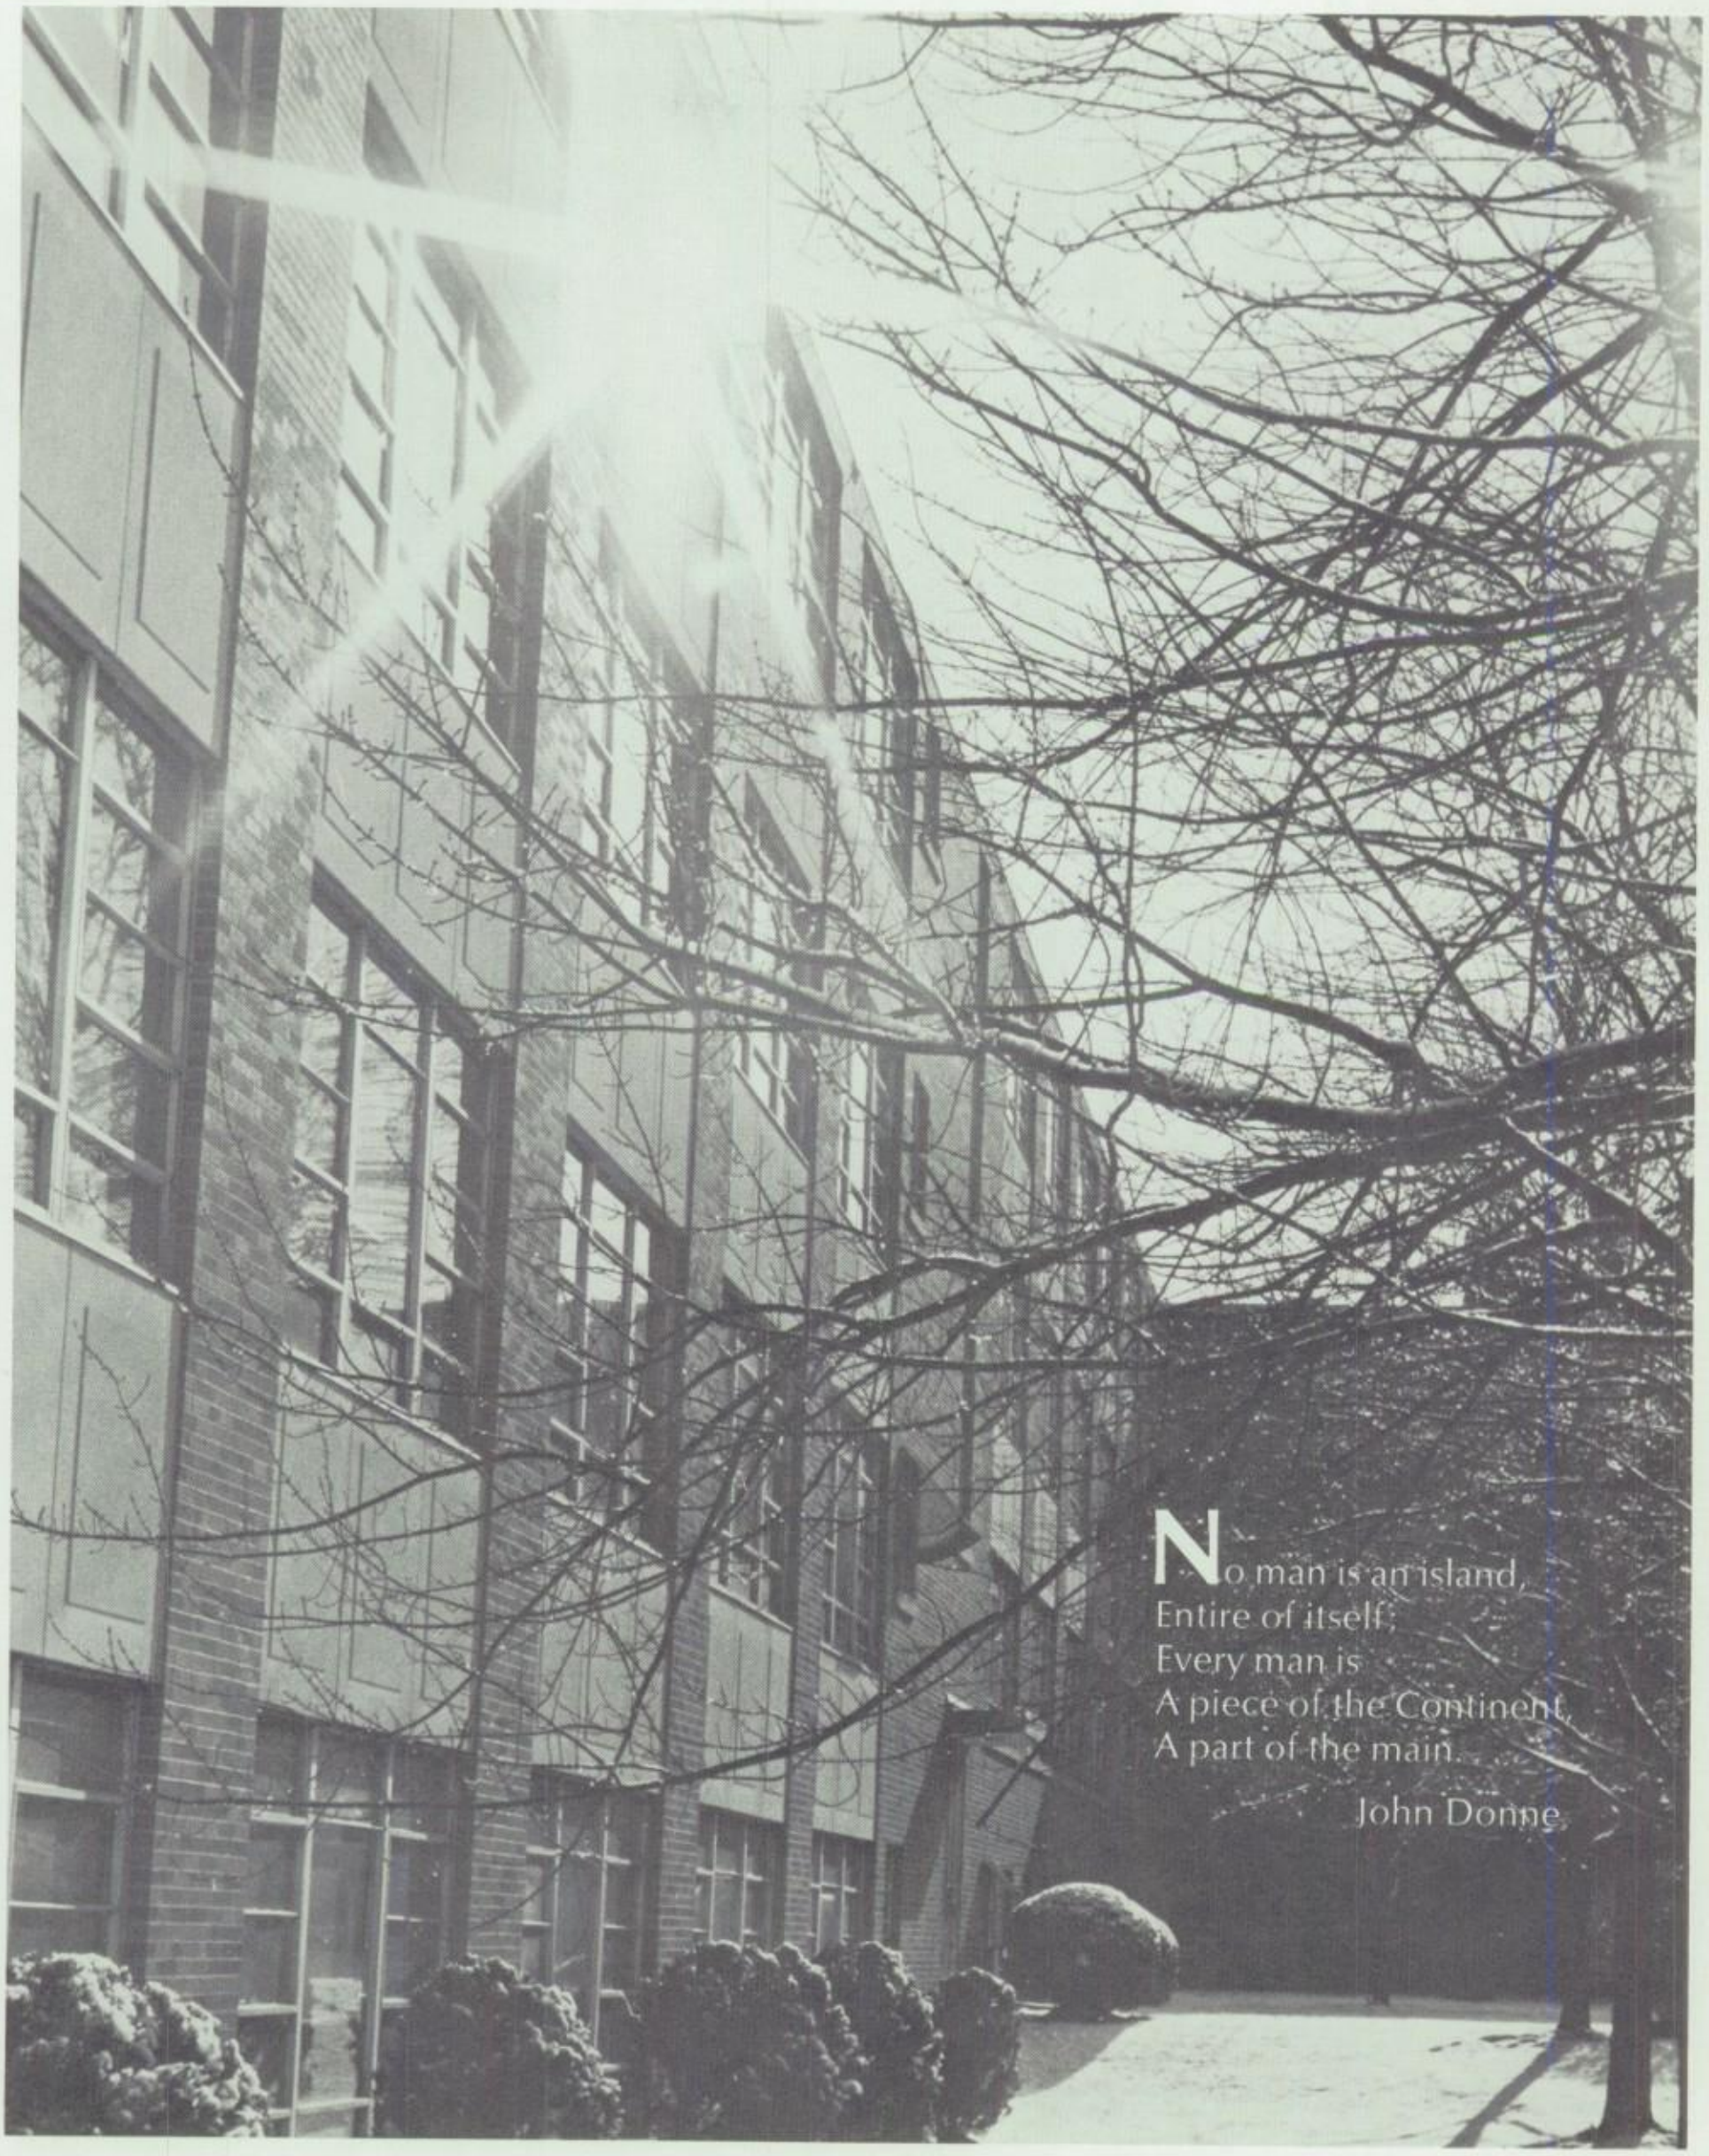
IN MEMORY
OF
ROBERT BOWMAN



I love to think of those whom God has called to himself as away at school—at the best school in the universe, under the best teachers, learning the best things, in the best possible manner.

Bossuet



No man is an island,
Entire of itself;
Every man is
A piece of the Continent,
A part of the main.
John Donne

A FACULTY MEMBER IS. . .

. . . A grade book, a pink slip, and a source of learning.
. . . A hurried "hello" before first period, and a tired smile at the end of the day.
. . . A victim of criticism from the students, but the recipient of praise from an appreciative alumnus.

ACTIVITIES ARE. . .

. . . Ways of learning.
. . . A stepladder to development.
. . . The fulfillment of the student's appetite for involvement.
. . . The fourth dimension in a three dimensional world.

SPORTS ARE. . .

. . . The fields of learning.
. . . A way to build character.
. . . Healthy competition.
. . . Enjoyment and pleasure.
. . . Fast-paced and exciting.
. . . A vital element in growth.

A SENIOR IS. . .

. . . The product of learning.
. . . One who does not make misteaks.
. . . Often found drowning in a sea of college brochures.
. . . A rookie in the league of life.
. . . Anticipating the final day, June 10, 1977.

Time

General Motors

Thanks for the memory, of candlelight and wine,
Castles on the Rhine,
The Parthenon and moments on the Hudson Line,
How lovely it was.

Thanks for the memory, of rainy afternoons,
Swingy Harlem tunes,
And motor trips and burning lips,
And burning toast and prunes,
How lovely it was.

Many's the time that we feasted,
And many's the time that we fasted;
Oh well, it was swell while it lasted,
We did have fun, and no harm done.

And thanks for the memory, of sunburns at the shore,
Nights in Singapore;
You might have been a headache,
But you never were a bore,
So thank you so much!
